## CONFIRMED PROOF

Remedies of Barre Cannot Doubt That Has Been Twice Proved.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of Barre, who so testified years ago, now say their cures were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Barre kidney sufferers.

Norman York, 29 Branch street, Barre, Vt., says: "I was subject for six years to attacks of kidney trouble. I had pains in my back and was led to believe my kidneys were out of order by the too frequent passages of the kidney secretions. If I stopped or lifted it was with the greatest difficulty that I could regain an erect position. I finally used Doan's Kidney Pills, procured at E. A. Brown's drug store, and their effect was wonderful. The pain in my back soon ceased and the kidney secretions became more regular."

The above statement was given on November 10th, 1906, and was confirmed by Mrs. York on October 1st, 1908. She said: "Mr. York still thinks well of Doan's Kidney Pills, and has always recommended this remedy when he has had the opportunity."

For sale by all dealers. Price 50 cents. Doan's Kidney Pills, Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## Orrine Cured Him of DRUNKENNESS

Her Husband Now Spends His Evenings at Home.

She bought Orrine from the druggist in her home town—she bought it after reading the Orrine free booklet. In the booklet she read of the wonderful cures of drunkenness which were accomplished by the aid of Orrine. On page ten of the booklet she read the liberal guarantee to refund all money paid for Orrine if it failed to effect a cure. After reading the booklet she became convinced that Orrine was a remedy of unusual merit. She decided to purchase it and cure her husband of drunkenness. Orrine cured him. Now she is a happy wife in a happy home. Orrine helped to purchase the home. Read the following letter from Walker K. Schmidt Co., 84 Canal street, Grand Rapids, Mich.:

"For a number of years we have been agents for Orrine. During that time we have had occasion to be convinced beyond a doubt that Orrine is a reputable remedy, worthy of recommendation. One of their many cases coming to our attention, a mechanic earning \$22.50 per week, who had not taken a full pay envelope home for over five years, was induced to try Orrine, a complete cure being the result. The man became worth more to his firm, receiving an advance in pay, and has purchased a home. The house stands there showing the marks of Orrine. We cannot help but feel that we were most fortunate when we secured the agency for this reliable liquor cure."

Orrine is prepared in two forms. No. 1, a powder, absolutely tasteless and odorless, given secretly in food or drink. Orrine No. 2, in pill form, is for those who wish to cure themselves. Orrine costs only \$1 a box. The guarantee is in each box. Write for free Orrine booklet (mailed in plain sealed envelope) to Orrine Co., 336 Orrine building, Washington, D. C. Orrine is for sale in this city by Burt H. Wells, Red Cross Pharmacy.

## GRANITEVILLE.

Regular meeting of Branch No. 12, O. W. L. U. of N. A., will be held in Tuman hall Wednesday, October 27, at 7 o'clock. Regular business. Per order cor. sec.

## How It Started.

Now, when Jacob had given the "savory kid soup" to Isaac, and the latter, pleased with the gift, had given to his son the much-sought-after paternal blessing, Isaac struck his head through the tent flap and did pour molten words upon the trick which had scabbed him

of his birthright. And after some hours when his anger was well-nigh spent, he shot the topic sentence straight:

"Why did you do it?"

Then did Isaac call him near and look into his face. Also did Isaac smother his lips and point to the remains of the repast and say:

"I love my Esau, but oh, you kid!"

Whereupon Noah, who happened to be strolling by carefully tucked the test into oiled paper and did put it into the Ark, whence, with much odor and more odium, it was brought forth by humorists some 4,000 years later.—St. Louis Republic.

## No Chemicals for Anty Drudge.

Mrs. Neighbor—"Anty Drudge, I'm sure you must use chemicals in your wash. I've boiled my clothes and rubbed them till my fingers are blistered, but they look yellow beside yours."

Anty Drudge—"No, I didn't use chemicals, nor I didn't boil them nor rub them hard. I used Fels-Naptha in lukewarm water. Fels-Naptha took the dirt out of my clothes while you were rubbing dirt into yours. That makes the difference."

## What soap will you use to wash clothes?

If you insist on weakening your clothes by boiling them, wearing them out by hard-rubbing, putting up with all the inconveniences of hot fires, nauseous steaming suds and yellow clothes, it doesn't matter which you use.

But if you want to do your washing comfortably, in cold or lukewarm water, without hard work and in half the time—then there is only one soap for you—and that soap is Fels-Naptha.

The reason why is in the different way Fels-Naptha is made. The results speak for themselves. Get Fels-Naptha from your grocer and try it. But be sure and use it the Fels-Naptha way—no hot water. Follow directions on the red and green wrapper.
